## Grade 6- Language Arts

**1. Journal- Topic:** Write a story about what it would be like to climb to the very top of the highest mountain in the world.

Write 20 sentences.

**2. Identify cause and effect assignment.**

Make a chart like the one below. In the first column, record each event in the story that caused something else to happen. In the second column, record the decision the families made to respond to the event. In the last column, record the effect of this decision.

**3. Analyzing the author's message.**

Think about the messages or ideas the author conveys in this story. Identify one or two of these messages. Include the corresponding evidence that supports their choices. Follow this format:

Paragraph 1

- What is the author's message
- What do you think it means?
- Explain the evidence that supports your choice.

Paragraph 2

- What is the author's message
- What do you think it means?
- Explain the evidence that supports your choice.

\*Please use one message in one paragraph only. Do not use two messages in one paragraph.
